Performance Measure: Successmaker

Strategy: Math Improvement

- Intervention
- Small Groups
- Monitoring Meetings
- Staff collaboration
- Professional Development
- Family Nights
- Data tracking
- Jan Richardson/Literacy Footprints

Goal 2:

Reading Goal: There will be an average overall growth of 0.3 by the end of the 2023-2024 school year in Successmaker Reading

Performance Measure: Successmaker

Strategies: Reading improvement

- Intervention
- Small Groups
- Monitoring Meetings
- Staff collaboration
- Professional Development
- Family Nights
- Data tracking
- Jan Richardson/Literacy Footprints

Goal 3:

Social Emotional Learning Goal: Students in grades 3-5 will show a 3% growth in the category "self efficacy" on the Panorama survey from BOY to EOY 23-24 school year.

Performance Measure: Panorama Survey

Strategy: Social Emotional Learning

Action Steps:

- Panorama Survey
- Professional Development
- SEL Activities
- Parent Involvement

Goal 4:

GSA: In grades 3-5, the overall 2023-2024 GSA proficiency scores in ELA and Math will increase 2% from the 2022-2023 GSA scores. In grades K-1, the average phonemic awareness DIBELS scores will increase by 5% from BOY to EOY DIBELS data. In grade 2, the average DIBELS composite score will increase by 5%.

Strategy: Increase scores by more student exposure to content

Action Steps:

- IMA practice
- Interventions
- Family nights
- Data analysis

Goal 5:

Family Involvement: Alban will increase participation in school family nights from fall 2023 to spring 2024 by 5% as measured by sign in sheets.

Strategy: Increase parent involvement at Alban throughout the year

Action Steps:

- Award ceremonies
- Grade level activities
- Family nights
